Special Issue in *Computer Vision and Image Understanding*

Quality papers selected from the 4th International Workshop on Computational Topology in Image Context will be invited to a special issue on *Computer Vision and Image Understanding* (Elsevier, latest JCR Impact Factor 2.404, www.elsevier.com/locate/cviu). Selected papers must be substantially revised and extended from the conference version with at least 30% new material or results.

Submitted papers should be contained within 15 pages in the journal layout. Contributions must be submitted through the online submission system which can be found at http://ees.elsevier.com/cviu/ under the section "Special Issue on Computational Topology in Image Context". Submission guidelines can be found at: www.elsevier.com/locate/cviu. Papers will be subject to the regular CVIU review procedure.

A suitable committee for the selection of quality papers will be formed and announced before the beginning of CTIC 2012.

Important Dates
- Manuscript submission deadline: September 30, 2012
- First notification: January 27, 2013*
- Revised manuscript submission: March 17, 2013*
- Notification of final decision: April 14, 2013*
- Final manuscript due: May 5, 2013*
- Publication of the special issue: July 2013*

*tentative dates
